

FACULTY:

Our faculty members are experienced and professionals with vast expertise in the nursing field. They are committed to delivering high quality education and providing mentorship to our students. With their guidance and support, student's receive comprehensive training and personalized attention throughout their academic journey.

CLASS ROOMS

We have spacious and well-ventilated classrooms, that are equipped with LCD projectors.

LIBRARY & COMPUTER LAB FACILITIES:

The college library has a good collection of the latest editions of books on Nursing, and also national and International journals. Also, we have the facilities of E-books and E-journals. The college has a well-equipped computer lab with internet facilities.

LABORATORIES:

Our college of Nursing is proud to offer advanced laboratories that provide a simulated environment for the nursing students to enhance their practical skills and develop confidence in various nursing procedures.

Labs are well equipped with manikins, simulators, 3D models and charts. The students undergo rigorous training in these labs offering a simulated environment under the guidance of our expert faculty before performing the actual procedure on patients in the hospital.

BASEL MISSION CSI HOSPITAL COLLEGE OF NURSING

Betgeri-Gadag

(Affiliated to Rajiv Gandhi University of Health Sciences, Bengaluru)
Recognised by Govt. of Karnataka &
Karnataka State Nursing Council, Bengaluru.

BASEL MISSION CSI HOSPITAL:

We are 150 bedded, NABH accredited hospital. The hospital was the first healthcare provider in Betgeri-Gadag and has grown from a small hospital into a hospital now offering superspeciality services.

As a mission hospital, our aim is cater to everyone in society. Over the years we have endeavoured to provide excellence in patient care, at an affordable cost. We have strived to bring the latest in medical technologies to our patients. The hospital is well equipped with facilities of ICU, Neonatal ICU, Paediatric ICU, Dialysis unit, Endoscopy unit, high-tech operation theatres, Laparoscopic & Laser surgery, Ultrasound, Echocardiography, CT scan and Cathlab.

The hospital has, now ventured into medical education and is now accredited with NBE New Delhi for post MBBS diploma courses in Paediatrics and Family medicine. It is also affiliated with the Health Sector Skill Council of India (HSSC) to provide Nurse Aide education. We envision to create a greater impact in society through nursing education by establishing the College of Nursing.

Dr Ajay C Raju

M.S, DNB., F.M.A.S, PGDHA
Medical Superintendent
& General Surgeon

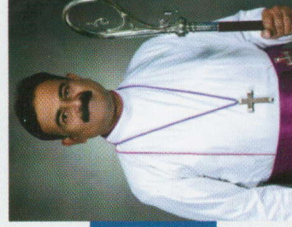

VISION:

Our Vision is to be a leading institution in nursing education in India, recognized for excellence in fostering compassionate, skilled and competent nursing professionals who contribute to the health and well-being of individuals and communities.

MISSION:

Our Mission is to provide high-quality nursing education that integrates evidence-based practice, innovative teaching methodologies, and inter professional collaboration to prepare graduates who excel in delivering holistic care, advocating for patient rights and advancing the nursing profession.

Rt. Rev. Martin C. Borgai

Bishop in CSI KND

The Basel Mission CSI Hospital in Betgeri-Gadag was established in 1902 by missionaries of the Basel Mission, Switzerland. The hospital over the years has rendered yeoman services to its patients. It is a household name in regions around Gadag-Betgeri, fondly called 'German Dawkhane' by the local people. We are very proud to be starting the College of Nursing in the hospital. I pray that the training & mentorship that the students receive in this college, will not only make them skilled and knowledgeable, but also make them compassionate healers.

BASEL MISSION CSI HOSPITAL COLLEGE

OF NURSING:

Basel Mission CSI Hospital, College of nursing was established in the year 2023.

The college offers 4 years of B.Sc (Basic) Nursing program with the intake of 40 seats. The college is affiliated to Rajiv Gandhi university of health sciences (RGUHS) and recognized by Karnataka Nursing Council (KNC).

Our well-known hospital and the Nursing college is spread across on a sprawling Eleven-acre campus and has an excellent physical infrastructure as per the Indian Nursing Council (INC) norms. Students also have an excellent clinical exposure in the Hospital.

If you are passionate about making difference in people's lives, then Basel Mission CSI Hospital college of nursing, Betgeri-Gadag is the perfect choice for you to begin your nursing professional journey.

Here at our college, we offer a competency-based curriculum which is designed to equip the students with wide range of knowledge and skill. The experience of our staff, the excellent infrastructure facilities and hands on practical training will prepare our nursing students to meet challenges of today and tomorrow. We also believe in inculcating values of treating others with love, kindness, compassion and respect.

I would be so pleased to welcome you to this exciting chapter of your professional journey.

Prof. Mrs. Beula Priyadharshini
R.N., R.M., M.Sc(N) (CMC Vellore)
Principal
